

SECTION A: ERROR DETAILS

Bugzilla Error Number	BUG4314
Description of Error: Adiabatic Flame – Combustion products not found in gasses not added to background fluid.	
Comments: The not found products were always added to the first fluid in the list.	
Corrected Version:	8.12.8.4472

SECTION B: WORKAROUND

Workaround Description: Rename the fluid you want to add all the products that were not found so that the particular fluid is at the top of the list.
